

## Once in a lifetime pony!

Has been to camp, lessons (dressage and jumping) and loves trail riding as well. Goes english and western. Has show and fair experience. Taught my daughter to ride when she was only 4. She is a doll in the barn, children can do anything. Now sadly outgrown.

She stands quietly for vet and farrier. UTD on vet and farrier, teeth just floathed. 11 years old, 12.2h, mare, sound.

This pony is looking for a forever home.
