Steffen Peters is an accomplished international dressage rider. **Steffen won the 2009 World Cup in Las Vegas with a score of 84.95 on Ravel.** Steffen narrowly missed winning the individual bronze medal for the U.S. at the 2008 Olympics in Beijing. He was selected as the USEF Equestrian of the Year for 2008. In 2007, he placed 3rd overall at the World Cup in Las Vegas. He won team silver at the 2006 World Equestrian Games in Aachen, Germany, where he finished 6th overall. He was an alternate for the Athens Olympics in 2004. In 2002 he placed 8th overall at the World Cup in Holland. In the 1996 Olympics in Atlanta, Steffen won team bronze.

The Steffen Peters clinic consists of an evening classroom session May 1; and riding sessions May 2 and 3. The clinic will progress from lower to upper level horses.

Steffen will have a microphone so auditors, as well as riders will benefit from his teaching. Questions will be encouraged at the end of each ride and during the lecture. Auditing hours may be accredited for 6 hours of coaching certification.

Steffen will focus on the ultimate goal of dressage: developing the horse's self-carriage with light seat, leg and rein aids. Steffen's riding philosophy and techniques have been the subject of many articles in the Dressage Today magazine. This is a unique opportunity to learn from a renowned dressage trainer and international competitor.
